

## LEGAL STATUS

This site displays a prototype of a "Web 2.0" version of the daily Federal Register. It is not an official legal edition of the Federal Register, and does not replace the official print version or the official electronic version on GPO's govinfo.gov.

The documents posted on this site are XML renditions of published Federal Register documents. Each document posted on the site includes a link to the corresponding official PDF file on govinfo.gov. This prototype edition of the daily Federal Register on FederalRegister.gov will remain an unofficial informational resource until the Administrative Committee of the Federal Register (ACFR) issues a regulation granting it official legal status. For complete information about, and access to, our official publications and services, go to [About the Federal Register](#) on NARA's archives.gov.

The OFR/GPO partnership is committed to presenting accurate and reliable regulatory information on FederalRegister.gov with the objective of establishing the XML-based Federal Register as an ACFR-sanctioned publication in the future. While every effort has been made to ensure that the material on FederalRegister.gov is accurately displayed, consistent with the official SGML-based PDF version on govinfo.gov, those relying on it for legal research should verify their results against an official edition of the Federal Register. Until the ACFR grants it official status, the XML rendition of the daily Federal Register on FederalRegister.gov does not provide legal notice to the public or judicial notice to the courts.

**ACTION:**

Notice of intended disinterment.

**SUMMARY:**

The Office of Army Cemeteries (OAC) is honoring the requests of the family members to disinter the human remains of 6 Native American students from the Carlisle Barracks Post Cemetery, Carlisle, Pennsylvania. The decedent names are: Raleigh James from the Washoe tribe, Wade Ayres from the Catawba tribe, Anatasia Achwak(Ashowak) and Anna Vereskin from the Alaskan (Aleut) tribe, Ellen Macy from the Umqua tribe and Frank Green from the Oneida tribe. These students died between 1880 and 1910 while attending the Carlisle Indian Industrial School. At the request of the closest living relative for each decedent, OAC will disinter and facilitate the transport and reinternment of the remains in private cemeteries chosen by the families at government expense. This disinterment will be conducted in accordance with Army Regulation 290-5. This is not a Native American Graves Protection and Repatriation Act (NAGPRA) action because the remains are not part of a collection. They are interred in graves that are individually marked at the Carlisle Barracks Post Cemetery.

**DATES:**

The disinterment is scheduled to begin on June 17, 2022. Transportation to and re-interment in private cemeteries will take place as soon as practical after the disinterment. If other living relatives object to the disinterment of these remains, please provide written objection to Captain Travis Fulmore at the email addresses listed below prior to March 1st, 2022. Such objections may delay the disinterment for the decedent in question.
